

## Welcome to the **CANYON WELLNESS PROGRAM!**

This program is designed to allow you to continue/initiate the pursuit of your health/wellness goals. You may have just completed a course of Physical Therapy or are ready to initiate a personalized fitness routine in a less overwhelming environment than the local gym. There are many reasons to begin an exercise routine and whatever yours may be the CANYON WELLNESS PROGRAM can individualize a plan for you, from general fitness to sports specific conditioning.

We offer a new modern facility with a wide range of strengthening and exercise equipment in our gym, as well as the benefits of a multi-depth salt water exercise pool.

Our Wellness Coordinator is available Monday through Thursday from 12:00pm – 2:00pm and Friday from 1:30pm -3:30pm to supervise you while you carryout your independent exercise routine. We can address any problems you are having with your workout and address any pains that you may have from past surgeries or other experiences in your life. We will be available to offer advice and attention to several areas of health and fitness, including weight training, stretching, functional/sport performance exercises and cardiovascular conditioning. Baseline measurements will be obtained as part of your initial program development, and will be updated at your request to measure your progress. These tests may include measures of body composition, cardiovascular fitness, flexibility and muscular strength/ endurance.

In our program, you will have a file that tracks your workouts and your progress. In your file we will list your goals, hobbies and other interests and modify your seasonal workouts to fit your lifestyle and your goals. Do you ski in the winter and mountain bike and play golf in warmer months? We can modify your program to fit your social lifestyle while improving your results with each activity. Do you want to lose weight, lower your cholesterol, increase your bone density or just feel better with your general health? Whatever your specific goals, we will be there to help. With the tools and guidance we provide and your determination and commitment both here and at home, we know you will be able to achieve your goals!

Our hours of operation for the CANYON WELLNESS PROGRAM are **Monday, Wednesday, Friday: 7:00 am – 6:00 pm and Tuesday, Thursday: 8:00 am-7:00 pm**. We ask that wellness clients finish promptly with their routine by the end of the open wellness hours to allow us to carryout business duties for the end of the day. AquaFit classes are held Monday, Wednesday 12:00pm – 1:00pm and Thursday from 1:00 pm – 2:00pm. The RealFit land based class is held on Tuesday 1:00 pm – 2:00pm and Friday 1:30pm -2:30pm.

The CANYON WELLNESS PROGRAM has no initial sign on fee or contracts and no additional service fees. We have a monthly fee of \$65.00 to be paid at the beginning of each month for that month of service (1-last business day of the month), ½ month \$32.50 (1-15 or 16-31) or \$7.00 per day. This fee covers: program design, modification, progress test/measures, staff supervision/direction and full access to the gym and aquatic facilities.

Once again, our entire staff looks forward to working with you and demonstrating our commitment towards helping you achieve your health and wellness goals!
